ALISON

Checkout girl Alison was discovered by our photographer who never stops thinking about birds, their boobs and bushes, even when he's shopping for Jaffa Cakes on a Saturday afternoon. "This chap came up to me and asked me if I had ever modelled," she tells us. "I went along and had the time of my life. It's such a horny feeling to show your bits to the whole of the UK! And my sex life is through the roof – I can't get enough. My man can't believe his luck!"

He blasted both balls up my pussy

As I started playing with him, he did the same to me, and so I went down on him, seeing if he'd suck me too. He did, as I gave his cock and balls a bit of treatment, but then he put his hands on my arse, hinting that I should slide down his body. And that's just what I did, straddling his prick on the way down.

He started playing with my arse, spitting on two fingers and poking them inside me. I couldn't help giggling – just the thought of us being walked in on while we fucked was bad enough.

But doing it like this was something else. The bed was a bit squeaky, so we had to take it slow and easy, but the longer he strung it out the more I came, and I leaned right back against him so he could fondle my tits as he finally blasted both balls full of spunk up my pussy.

He had this really wholesome look about him – he totally charmed my mother. Which was a cover-up for what a dirty sod he really was.

Parent hood

Still living with my parents can make sex with boys awkward. I pulled a lad called Martin last week.

Too bad my folks were up – we went in, acted polite, and went to our separate rooms.

I did what I could with my fingers, but about an hour after Mum and Dad went to bed, I snuck out of my room. If they heard anything at all they'd just think I was off to the loo, but I went into Martin's room and let my robe drop off me.

I got into bed, putting my hand over his mouth to shush him, as he woke up. Then my hand went straight for his cock, and he was already hard for me.

Swap till you drop

We were recently contacted by two old friends of ours, Jack and Brenda, who were visiting our region.

My husband Dave decided to surprise them by booking a room in their Travelodge.

We met up in July for a meal. It was great to see them. Brenda looked as trim as ever, with her neat little figure, dark hair and dark eyes.

Looking at her reminded me of the last sexy lesbian session we'd put on for the boys. I guessed Dave was hoping for a repeat session. But I had other ideas.

We had a few drinks and got turned-on discussing our previous photo shoots.

We had all been flirting and when Dave made his surprise announcement that he'd booked a room, everyone's face lit up and Brenda gave Dave a big hug.

I then said that I had a great idea. We had partner-

swapped together before but why not take each other's partners to each other's room? Dave was taken aback, but Brenda was very turned-on by the idea and trundled Dave upstairs before Jack and I had finished our drinks.

Jack and I followed them shortly. We had hardly got inside the room than he was snogging me passionately, mumbling, "I've waited ages for this," as he fumbled with my blouse.

My nipples were already hard by the time Jack fastened his lips round them through my peephole bra.

I stepped out of my skirt to reveal my crotchless knickers and stockings.

Jack powered me roughly up against the wall and his cock popped out of his trousers like a rampant ram.

I guided it between my legs and slid it up my eager, hot pussy.

Still in my high heels and undies, Jack grunted as he banged me up against the wall so hard I thought I might go through.

His shirt was soaked with sweat as he mercilessly pumped my shaft. He lifted my legs round his waist while he shot his hot semen deep into my hole.

We were still only in the doorway! I led Jack to the bed and tongued his sticky shaft till he was as hard as ever.

Jack's face was a picture as I licked him from just under his balls, tickling his anus with my tongue, to the tip of his shiny purple glans, now leaking pre-cum again.

I put my legs either side of his hips and once again fed his throbbing shaft into my soaking love tunnel.

Jack could hardly look at me as I ground my pubes relentlessly on to his crotch.

I was now really rampant myself. Jack reached up and squeezed my engorged tits until I reached my climax.

I flooded his cock with my juices and he shot his load up my pussy again.

I collapsed on top of him and our hot wet bodies slowly recovered.

We were only awoken by Dave and Brenda in the morning. It seemed they had had an equally horny night!

Jacqui, West Yorks.

Cum party with me

Right now my girlfriend, Claire, is flopped out on my bed, but less than an hour ago she was eating my arse-crack.

I've had all the best and dirtiest lickings of my life from Claire – she really gets stuck in, lapping and slobbering all over my cunt as she sucks up my juices. I got that treatment this time and she used fingers too, two of them dipping in my arsehole while she was tonguing me.

Normally, we're more than enough for each other, but now and again we get a craving for cock and we'll talk each other into the idea of finding a bloke to join in our fun.

This time, we really picked a winner – a lad called Clive. He had a nice big cock on him, really thick. It felt so heavy in my hand as I wanked him, breathing warm, moist air on his helmet, getting him all worked up over a sucking.

Then, as his pre-cum began leaking out, I palmed it over his shaft, for a smoother, faster stroke. I couldn't resist a taste but I licked it off my finger – getting him gagging for it!

Not that I wasn't getting a bit desperate myself – Claire's eager little fingers up my arsehole while she licked my cunt were doing it for me.

She wasn't going to fuck me all the way, though – that would be Clive's job. We'd had all the foreplay he needed so he just rammed in, my cunt swallowing his cock right down to the root.

He tested both out with his fingers, then said he wanted was hard again. This time it was me raising my juice-stained face, splaying Claire's arse wide and asking which hole he wanted to fuck her in.

After his cream, we tucked into a double pussy feast

Claire positioned herself on the bed so I could suck and fondle her tits as our new fuck-mate gave me a shagging from behind. He was so deep inside me and, when she reached down to my clit, I started cumming like a maniac, moaning and squealing around her juicy big nipples as every inch of my pussy was satisfied.

Claire's really good at the bossy bitch thing and I think Clive liked it. She had him pulling out of my cunt – he thought it was to fuck her at first, but instead she told him to wank off and spray both our snatches with his load. She made this easier for him by bunching right up to me, mound to mound.

The sight of us like this meant his spunk was soon blasting out everywhere, and then we moved into a sixty-nine, drinking the creamy treat down before tucking into a double pussy-feast!

With this kind of show, it didn't take long before Clive

to see me poke her in the arse with a sex toy. She moaned into the pillow – she wanted his cock – but I went along with it, grabbing her favourite dildo that she used for anal and wedging it up her arse. Watching her squirm under it was fun.

Then Clive touched his prick up to her pussy opening, slipping in. He groaned at how much tighter any girl's pussy felt when her arsehole was stuffed full – this guy had obviously been around!

I gave her clit a sucking, but soon Clive was banging her so hard I had to switch to using my fingers instead. I could feel little flutters in Claire's crotch, before she started cumming for real.

Clive was getting there fast, too, trying to hold back, then realising it was a losing battle. He squirted a big load up her cunt, then pulled out. His cock was coated with shiny wetness, so I sucked it clean.

Then he pulled the plug out of Claire's arse, making her cum again so hard that the spasms pumped the spunk out of her snatch – even more so as I teased her clit.

So it's my turn to cum next, but with the two of them spent, that's not going to happen for a while. So I decided I'd write it all down while it was fresh in my mind. Time for more fun now…

Tamsin, Essex.

I've never gone back in – I'd be too embarrassed – but I hope it will happen again somewhere else!"

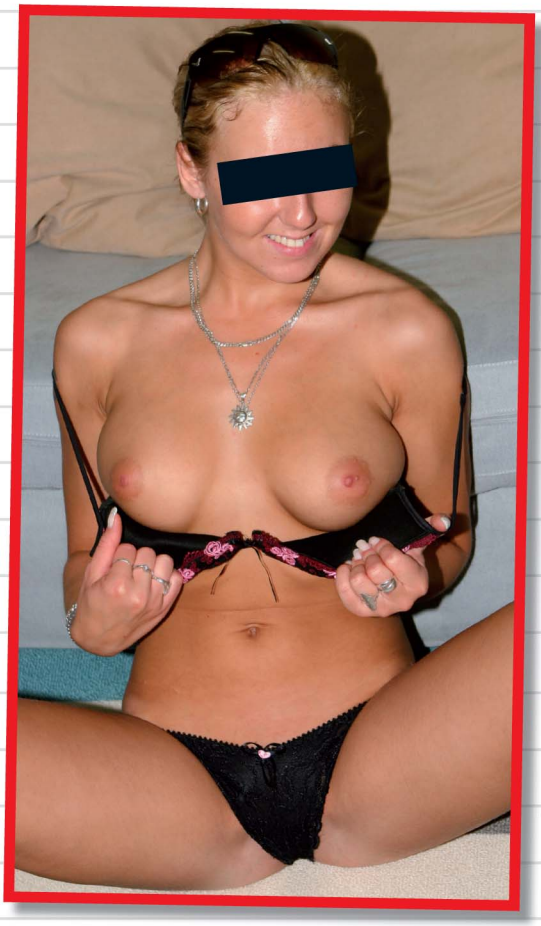
Ho contest

My mate Sandrine and I have had a couple of boyfriends in common, and one night she was boasting about one of them, Mark, saying how he'd told her she gave the best blowjobs he'd ever had.



lightly. We told him to come over and decide once and for all. And he wasn't going to say no to two women intent on giving his cock the best sucking ever, was he?

When he arrived, we all got naked. Mark had it all worked out – we'd each suck him for one minute stretches, swapping back and forth until he came.

Whoever was sucking him when he shot his wad would be the winner. I won the toss – no joke intended – to go first, and spent it wanking him to total hardness before handing over to Sandrine. She immediately straddled his face and started sucking him in a 69.

"You cheating bitch!" I hissed, but she ignored me, and Mark was too busy sucking her snatch to take my side.

She stayed where she was when I took over, grinding her dripping hole against his

I took his full ripe nuts into my mouth

"That may have been true at the time," I said. "But he dated me after he was with you, right?"

She said that made no difference and bet me £100 she sucked cock better than I did, and there was only one way to find out. Not a fight, just asking Mark!

He said he couldn't remember – yeah, right. But we weren't letting him off

mouth. In a way, she was helping me – Mark kept thrusting in time with her, each stroke getting him closer to cumming. But we kept on switching back and forth, Mark somehow managing to hold on to his load.

After about ten minutes, while it was Sandrine's turn, I heard her moan, "Mmm!" She pulled her mouth off Mark's cock, then started flicking it with her tongue. He was already close and, as she got sucking again, I saw his shaft start to spasm. His nuts looked so full and ripe, and as Sandrine wasn't giving them any attention – in her position, I'd have been using my fingers to tease them – I bowed my head and started to lick them, sucking them into my mouth. Sandrine gave me a "Who's the cheating bitch now?" look, but didn't stop sucking Mark's prick, not even when her minute was up.

"My turn," I said, but she took no notice. When she paused for breath after sucking Mark deep, I brought my head up and started to lick him. Neither of us would let the other get in close enough to suck him, so we ended up with tongues tangling round until he spunked.

Karen, Leics

Then our "battle of the blowjobs" ended up with the pair of us trying to swallow as much as we could.

Mark said we both give brilliant head and refused to say who'd won. Anyway, my new man loves my dick-sucking!

Karen, Leicestershire.

Sunday roast

Last Sunday afternoon, my mate Devon had come round to watch the game after a big pub lunch, and we were sniggering over the word "roast".

My girlfriend Jenna looked baffled, even when we said "As in spit-roast…" and asked, "So why do they call it that, then?" At least she twigged while we were laughing at her!

Then she came out with "Yeah, I did one of those once…", casual, like you'd say you'd taken a walk in the park. She'd got pissed and horny with two exes who'd been mates and had let them share her.

Now Devon was saying if she'd done it for them, she should do it for me. I told him to fuck off, but she said OK, as long as he counted it as an early birthday present!

So you see what I'm dealing with here? But it was worth it when she wriggled out of her clothes. She stood there necking with me as Devon had a good grope of her tits – he's always been a boob obsessive. Then she asked should she get on her hands and knees.

"It's still a spit-roast if you do it standing up," said Devon. "As long as she has a dick at both ends."

So she unbuckled me and kissed her way down my chest and belly, finally licking at my prick like a lolly, tongue lashing my helmet as her hand squeezed round my shaft.

Devon was fondling her arse-cheeks, and rubbing himself against them. Not that he needed to get any harder, he just liked painting her skin with his shiny pre-cum.

Now he was in her cunt – I felt as much as heard her sigh around my bell-end, and she kept on sucking me steady as he humped in and out.

I told him to diddle her clit, so he did, but she didn't miss a beat blowing my dick.

I could feel the spunk begin to rise in my balls, and clenched every muscle in my body trying not to jizz. But if there's one thing Jenna knows it's how to get me off, and she gave my plums a tickle, unleashing my load into her mouth.

She swallowed noisily, letting some of it dribble out. Then she banged back against Devon's crotch, so he stopped trying to pace himself and thumped hard into her.

His body slapped up against hers as his cock pounded in and out of her sodden depths, then he jammed it right in and I knew she'd be clenching hard, tugging the cum out of him.

Needing a breather, Devon and I tried to watch the game, but having Jenna draped over us naked was a bit distracting. Not that we were actually complaining, mind…

SOPHIE

"My husband really surprised me!" Sophie blurts out at her second shoot. Last time we stripped Sophie in vol 32 no 5, she was bemoaning her useless spouse, who didn't bother to ram her randy rear any more. No longer! "He said he saw me in a different light after my striptease in the mag and he's been shagging me loads. He says he doesn't want anyone else to have me. I said he'd better keep it up then – my arse and pussy have never been so well worked out! God only knows what a seeing-to I'm going to get when he finds out about these pics!"

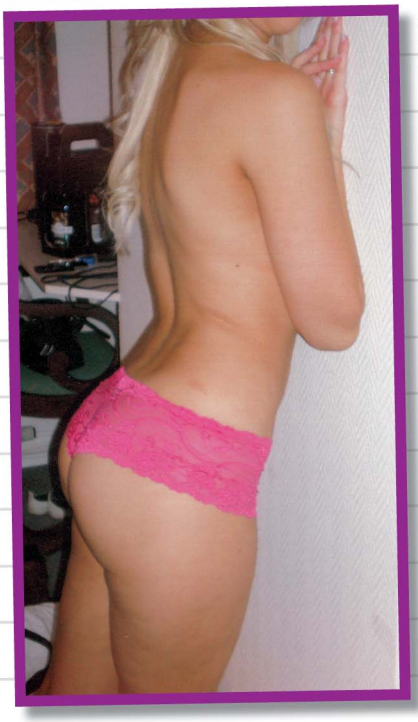
Campus carry-on



Helping to show would-be students around the campus in my second year meant I got a few good shags out of it – mostly with lads of course.

But then Fiona turned up. Punky and a bit scary was my first impression, but she had a wicked sense of humour and looked dirty.

As her coach home wasn't till the following day, I said she could crash in my room.

Relaxed by a few pints, we flopped onto my bed, snogging as soon as we hit the mattress – we'd both known there was something more than instant friendship happening.

And she seemed impressed when I took the lead, bringing her off with two fingers up her twat and my hand rocking and pressing on her clit.

Fiona said she'd been "shopping" before arriving at the campus, and showed me what she'd bought, including a strap-on.

I laughed at the idea of her being interviewed with a backpack full of sex toys, then helped her try it on. It freaked me out a bit – eating pussy was about as kinky as I'd got up till now. Then Fi said, matter-of-factly, "It's just like cock."

No arguing with that – she had me on all fours a few seconds later.

I ate her cream-coated strap-on

I reached between my legs and grabbed the helmet, then guided it inside my aching hole.

It felt real – perhaps a bit stiffer and colder than the genuine article, but I could

Vodka chaser

Nev and I met when he gatecrashed a party. He was in his thirties, so hardly a dirty old man, but he stuck out like a sore thumb.

I think the litre-bottle of premium vodka he turned up with helped him get in through the door, though!

I grabbed a glass then strutted up to him. He poured about a teaspoon in there then said if I wanted more, I'd have to do something for him.

Most blokes couldn't pull off a line like this, but I snogged him.

"That just earned you another finger," he grinned and he didn't just mean vodka.

He half-filled my glass and I knocked back a mouthful, sucking on an ice-cube too. Then I gave him a cold, boozy kiss and dragged him into the utility room.

We snogged again and then I worked my way down with an ice-cube in my mouth, tracing a wet line down his

body. I pushed it in his belly button as I undid his jeans and got them and his boxers down, then I sucked what was left of it till it melted, and took his cock in my mouth. Normally that kind of cold would be dick-shrivelling. But the suction of my warming mouth won through.

When he was ready to cum, I wanked him into my drink! I raised it like I was toasting him, then used a finger to stir it until the strings of cum dissolved into the vodka. Then I downed it in one.

Nev looked gobsmacked, and I couldn't believe what I'd just done either. He laid me back and took a melting ice-cube out of my drink and

hear my breathing speed up as she started pummelling into me. I fingered my clit, almost wrenching myself off her as a jolt of pleasure hit me, so she grabbed my arse firmly and rode me even harder and deeper.

I came twice and let her fuck my tender pussy a bit longer but, obviously, she wasn't going to finish like a bloke would.

She pulled out and I flopped down on my front, feeling a bit spent, only for her to come around the front and shove the cream-coated dildo in my face.

Dazed though I was, I gobbled it, sucking and licking it clean of my own wetness. Too bad she couldn't spunk in my mouth, but I'd already eaten plenty of my own cum.

started to play it along my slit. Then he pushed it up my pussy, reaming in and out with his hot tongue, melting it out of me.

He ate me, while wanking furiously to get himself hard again. I was halfway to orgasm, so I decided to just stay where I was. I like vanilla vodka and there's nothing wrong with vanilla sex either, as long as it's with some dirty bastard who's mauling your tits and pounding your twat hard.

He had practically pinned my arse to the floor by the time he shot his second load, his big hand rubbing my clit so I came round his pulsing shaft.

I played it cool, helping myself to more vodka then going off to join the party, saying I'd see him around. Not that night I didn't, though. Did he just go home or to find more pussy? I don't know. But I'm hoping he'll gatecrash again!

Watch me go

Watching porn is my thing, and I got a major thrill from a live sex show on a stag night, so the idea of seeing my missus take cock off someone else started to appeal.

Part of the deal was I got to watch, so I sat on the bed, cock in hand, as my new mate Kev stripped Lucy off, snogging her and sucking on her tits.

She obviously fancied the arse off him – as he started fingering her snatch she looked lost in enjoying it, then she'd look at me. Understandably, she seemed nervy at first, then when she saw how hard it was getting me, a little smile crossed her face, maybe even a smirk!

Kev was obviously a porno freak too, going by the positions he got her into – anything that would spread her wide and give me the best view of his prick pounding in and out of her.

One time he was spooning her, with one of her legs stretched right up and back. She liked it when he got a bit rough with her nipples, pinching and tugging on them. And when she squealed, he wet a couple of fingers in the juices and had her sucking on them, muffling her moans to whimpers.

Then he said maybe she should be sucking on something else – my cue to feed her my own rigid shaft. He was fucking her and making her cum with his fingers, but she didn't miss a beat as she blew me.

She smirked as she saw how hard I was

Kev was first to lose his mess, and he asked if he could spunk inside her. "Mmm…" she moaned, and he squeezed her tits as he shot so she sucked even harder on me.

He stayed inside her while he was still hard, then pulled out and she immediately caught the spunk and cunt cream, and started to slather it over herself. The sight of that sparked me off, and I blew my own into her mouth, only for her to let it dribble out to smear on her tits.
